SUE PEARSON'S OBEDIENCE TRAINING

Agility

Top 10 Reasons You and Your Dog Should Come to SPOT & CO.

1. All the dogs are doing it.
2. Kid next door thinks the dog's name is "Stoppit."
3. Dog sitter suggested that you take the dog with you on vacation this year.
4. Your clothing has lace and fringe that wasn't there yesterday.
5. No more yellow carpet!
6. You want to learn that trick where you put the biscuit on the end of the dog's nose.
7. Neighbors put one of these flyers in your mailbox.
8. You found *Howloween*, *House Destruction for Dogs* and *Jurassic Bark* books under the dog's pillow.
9. New puppy came without an owner's manual.
10. Guaranteed to have a great time training your dog.

Agility provides a combination of playground activity and obstacle course work for your dog. Sound like fun? It is! In the class, your dog will learn to jump hurdles, crawl through tunnels, weave through poles, climb an A-frame, and trot across the dog walk.

Agility is a great aerobic workout for your dog and allows you to improve your ability to work as a team. Sits, downs, stays and recalls are incorporated into the running, jumping and climbing activities. Many owners also find that agility can build confidence in shy, insecure dogs.

During **Agility** classes, you will be encouraged to reinforce appropriate social skills so that your dog continues to have good interactions with other dogs and people. And, because we believe that dog training is a family activity, children and other family members are encouraged to attend.

Thanks for signing up with **SPOT & CO**. We look forward to working with you in class!
